

3rd April 2025

Cake Sale in aid of Children's Health Ireland on 11th April 2025

Dear Parent(s) / Guardian(s),

Our Parents' Association (PA) are organising a fundraiser for the [Great Irish Bake 2025](#) organised by Children's Health Ireland. Donal Skehan and their star patient Sara, proudly supported by Gem, want you to get involved and help raise urgently needed funds for sick children in Children's Health Ireland at Crumlin, Temple Street, Tallaght and Connolly hospitals.

We are hoping every family will bring in a few buns/cakes on the morning of 11th April 2025. The PA will be organising the cake sale during the school day.

Please remember school finishes at **12 noon for all children on 11th April 2025.**

Please support this worthy cause where our children can help less fortunate children and also get a treat to start the Easter Holidays. We recommend a maximum of €5 per child for the purchase of cakes and donations on the day.

Thank you to the PA for arranging this worthwhile fundraiser and we appreciate your continued support and cooperation.

Le gach dea-ghuí,

Colin McElroy
Principal

Orla Dunne
Acting Deputy Principal
