23rd March 2026

Dear Parent(s) / Guardian(s),

Heritage History Workshops 24th & 25th March 2026

We have Aidan Dockery, a guest speaker from Heritage Ireland, visiting our school for two days this week. Aidan is hugely passionate about all things Irish. He is widely regarded as being a great authority on Irish History and Literature, Culture, Sport and Wildlife.

Aidan will be making a presentation on many topics relating to local, national and international history. We are hoping to set up a pop-up history museum that will be used to simulate discussion and to revive our general interest in and understanding of history.

Each class will get a chance to develop their interest in these areas through an examination of artefacts brought in by Aidan, pupils and teachers.

Please help your child to find something e.g., historical artefact, to bring in and include in our pop-up history museum. Please avoid sending in anything that would compromise any individual's health and safety. It can be anything related to local, national or international history.

Le gach dea-ghuí,

Colin McElroy,

Principal,

Orla Dunne.

Acting Deputy Principal.
